Stav has been helping women get rich for years through her network of invest. clubs & her media & speaking appearances. Here she offers her hands-on techniques & inspiring advice by simplifying the stock market & putting a new world of wealth within reach. You don't have to be a mathematician or money expert to make a profit in the stock market -- all you need is your initial investment & a sound grasp of some basic principles that can help you pick winners, recognize great opportunities, & ditch the losers before they drain your funds. In addition to guidance on getting started, Stav offers tips on finding (or founding) an investment club -- a support system that, properly managed, can give you a major advantage in the market.
