Joan Morris:

As a pupil, I exactly feel bored for you to reading. If their teacher asked them to go to the library as well as to make a summary for some book, they are complained. Just small students that have a reading's heart or real their passion. They just do what the teacher want, like asked to go to the library. They go to presently there but nothing reading seriously. Any students feel that reading is not important, boring and also can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So, this *In Search of Stupidity: Over Twenty Years of High Tech Marketing Disasters* can make

you really feel more interested to read.
