## **Keys to the Kingdom** Bob Graham

Shortly after an explosive op-ed piece about the 9/11 investigation appears in the *New York Times*, its author, former Senator and Co-chair of the 9/11 Congressional Inquiry Commission John Billington, is murdered near his Florida home.

Enter Tony Ramos, ex-Special Forces operative and former aide to Sen. Billington and currently a State Department intelligence analyst. Billington, having sensed the danger he faced, has left Ramos detailed instructions for an investigation into suspected Saudi complicity in 9/11. Ramos, in conjunction with Billington's daughter Laura, uncovers a shocking international conspiracy linking the Saudi Kingdom to Osama bin Laden and al-Qaeda.

Despite efforts to derail their investigation, whose scope encompasses Saudi Arabia, India, Pakistan, and Afghanistan, Ramos and Laura discover that the Kingdom has recently provided bin Laden and al-Qaeda with three nuclear devices, two of which are successfully detonated by the terrorists overseas. But they were just a warm up to the grand finale. The third device, Ramos learns, will be detonated off the California coast.

Now Ramos and a team of Special Forces must race against time to prevent al-Qaeda from unleashing nuclear disaster on American shores, and beyond.
