POSITIVE CHILD GUIDANCE, International Edition, equips adults with information to guide, manage, and cope with the behavior of children. The book provides insight into children's efforts to understand their own emerging needs and feelings while coping with adult expectations. In this sixth edition, Miller provides a range of practical, effective, and flexible guidance strategies based on principles of straightforward communication and assertiveness. POSITIVE CHILD GUIDANCE, International Edition outlines workable steps for creating a cooperative, respectful community of children and adults with special emphasis on sensitivity to cultural and gender-based needs and differences.
