The Esoteric Investor: Alternative Investments for Global Macro Investors Vishaal B. Bhuyan

Massive demographic, environmental, economic, and regulatory shifts are generating huge new investment opportunities with an exceptionally high probability of success over the coming years and decades. In *The Esoteric Investor*, a world-class portfolio manager identifies these investments, and shows how your best profit opportunities may now lie far beyond the boundaries of traditional financial markets.

LifeQuant Capital Management principal Vishaal B. Bhuyan begins by explaining why investors must become far more creative in the way they source opportunity. Next, he identifies immense growth potential in markets ranging from reverse equity transactions to longevity risk—the \$24 trillion market you've never heard of. Bhuyan also shows how global events offer sustained profit opportunities in three key markets most investors consistently ignore.

If you're looking for promising investments that everyone else doesn't already know about, *The Esoteric Investor* offers the unique perspective you've been seeking.
