## The Interlinear Greek-English New Testament: With a Greek-English Lexicon and New Testament Synonyms (King James Version)

Here is a book which will be of inestimable value to all students of Scripture. It will not only be of great help to those who are familiar with Greek, but will also enable those not acquainted with the Greek text to discover the full force of Scripture in the original. This volume gives the Greek text accompanied by the literal interlinear translation. In the margin is the corresponding passage as found in the Authorized Version. These marginal quotations are conveniently paragraphed to correspond to the text in Greek. The book is rich in notes which will be of great value to the student, and it also includes various readings by outstanding Greek scholars. Moreover, added to the literal translation of the Greek New Testament is a New Testament lexicon and a chapter elucidating the synonyms of the New Testament, with a complete index to the synonyms. Unequaled for ready reference, this Interlinear Greek-English New Testament is a "must" book for every student who would search the Scriptures. ---from book's dustjacket
