The second edition of the acclaimed *Routledge Companion to Aesthetics* contains fifty-four chapters written by leading international scholars covering all aspects of aesthetics.

This companion opens with an historical overview of aesthetics including entries on Plato, Aristotle, Kant, Nietzsche, Heidegger, Sibley and Derrida. The second part covers the central concepts and theories needed for a comprehensive understanding of aesthetics including the definitions of art, taste, value of art, beauty, imagination, fiction, narrative, metaphor and pictorial representation. Part three is devoted to the topics that have attracted much contemporary interest in aesthetics including art and ethics, environmental aesthetics and feminist aesthetics.
