Environmentalist Mel Sykes has come all the way to Saudi Arabia to protect a rare group of tigers. With their habitat threatened by a proposed pipeline, she'll do all she can to ensure their safety. But what she discovers goes even deeper. With tall, handsome Karim Khazi by her side, Mel becomes enmeshed in a feud between two families whose secrets are wilder than she ever imagined.

Karim is caught off guard by the curvaceous beauty who arrives to help the tigers. His instincts are screaming to protect her, but he will do all he can to keep the family secret safe. Little does Mel know that the feud between the Khazi and Shashi families goes well beyond oil. Karim and his family are shifters—half man, half tiger—and the Shashis are determined to put an end to their bloodline.

As they work together, Karim struggles to protect Mel from the danger all around her. But as Mel falls further under Karim's spell, secrets are revealed that could change everything.
