Excerpt from The Virgin Islands of the United States of America, Historical and Descriptive, Commercial and Industrial, Facts, Figures, and Resources

Reader, let this little taste that I have given thee of the Summer Islands satisfie thee for the present: ere it be long thou shalt have a larger relation thereof. Hastie occasione of business doth make mee write somewhat hastilie, and leave out many things which were fitte to be spoken of; wherefore against my will I am forced to leave my work, which I have begunne, before I come into the middest of it; but I hope it will suffice you that are my friends to pass it over in the best manner you can, for there is much broken English of it and badly penned: regard I pray you the matter not the manner, the truth of the storie not the stile.
