Shakespeare's Insults: A Pragmatic Dictionary (Arden Shakespeare Dictionaries) Nathalie Vienne-Guerrin

Why are certain words used as insults in Shakespeare's world and what do these words do and say? Shakespeare's plays abound with insults which are more often merely cited than thoroughly studied, quotation prevailing over exploration. The purpose of this richly detailed dictionary is to go beyond the surface of these words and to analyse *why* and *how* words become insults in Shakespeare's world. It's an invaluable resource and reference guide for anyone grappling with the complexities and rewards of Shakespeare's inventive use of language in the realm of insult and verbal sparring.
