## The Complete Textbook of Veterinary Nursing, 2e Victoria Aspinall BVSc MRCVS

*The Complete Textbook of Veterinary Nursing* has established itself as a recommended standard text for all veterinary nurses. It is designed both to satisfy the requirements of the syllabus studied by all student veterinary nurses and to provide a wide range of information for qualified nurses working in veterinary practice. This new second edition has been updated and revised to align it perfectly with the needs of a new generation of students.

- Comprehensive content endorsed by all leading course providers
- Full colour illustrations for maximum clarity
- Written by veterinary nurses for veterinary nurses
- Additional online resources to maximize learning potential
- Improved website offers a range of film clips of essential procedures, introduced and narrated by Victoria Aspinall - plus comprehensive test-yourself questions in both study and assessment modes.
- All chapters revised and updated in line with changes in legislation, knowledge and current practical techniques.
- Brand new chapters on Ethics and Welfare, Communication and Physiotherapy.
- New section on Nursing Care Models to provide veterinary nurses with the necessary information to use this concept in their own practices.
- Dog behaviour chapter updated and revised to reflect the latest thinking about the process of domestication of the dog and its relevance to training methods.
- Additional photographs added throughout for enhanced understanding and clarity.
- Entire text accessible as an e-book with full note-making, referencing and search functionality.
