20th Century Fashion: 100 Years of Style by Decade and Designer, in Association with Vogue. Linda Watson

One hundred years of style by decade and designer.

The twentieth century experienced the most fashion changes in history: from hoop skirts to mini skirts, from wearing cotton to plastic. Fashion was as turbulent as the times. Throughout it all, *Vogue* magazine was there, as the leading visual filter.

20th Century Fashion, published in association with *Vogue* magazine, is the definitive style bible for anyone interested in the past, present and future of fashion. It takes a fresh look at fashion history over the twentieth century and charts the evolution from corsets to Coco Chanel to punk.

The book chronicles and explores one hundred years of developments and movements, including:

- 20s flappers
- Christian Dior's New Look
- Swinging Sixties
- New Romanticism
- 90s Eclecticism

Illustrated with eye-catching archive images, *20th Century Fashion* also features the work of the photographers who helped immortalize seminal fashion images. An A-Z section profiles two hundred and fifty of the greatest fashion designers who inspired, created and altered the course of fashion -- from Azzedine Alaïa to Zoran by way of Balenciaga and Yohji Yamamoto.

20th Century Fashion is an informative and inspirational look at how fashion reflects and projects social mores and individual values.
