CRAIG TRADING: Craig Haugaard made 300.9% in his World Cup Trading Championships® Account in 2014 - Want to Know How? Larry Jacobs

This book contains an interview that I made with Craig Haugaard, third-place finisher in the 2014 World Cup Championship of Futures Trading® with a 300.9% net profit. I asked him many questions on exactly how he did it.

In the rest of the book I explain to you how to use the indicators that Craig used to make his 300.9% return. Here are the indicators that he used:

- Seasonality
- MACD
- Stochastics
- Moving Averages
- Trailing Stops
- Fibonacci Retracements & Extensions

All of the charts in this book are produced using my favorite charting software Market-Analyst®. I have also arranged for you to get a FREE trial so that you might have the chance to actually work with these indicators with a real charting platform.

You will also be able to view the video presentations that I personally created so you can see how these indicators can be setup and followed with clear and concise step-by-step instructions.

After you understand how these indicators work, I would then recommend that you go to WorldCupAdvisor.com and consider following Craig Haugaard's real-time trades.

This one-of-a-kind book teaches you how to identify the direction of the markets and trade the markets by using popular trading indicators. This is done by concise instructions backed by learning videos, hands on practice with real trading software and by following real-time trades of a master trader.
