**Creativity Research: An Inter-Disciplinary and Multi-Disciplinary Research Handbook (Routledge Studies in Innovation, Organization and Technology)**

Compared to its 'cousin' innovation, academic research on creativity has been less well covered in journals and books. This is despite the fact that creativity has a profound role in many different subject disciplines.

This book is a unique collection of some of the latest research from a range of leading creativity researchers. Providing a clear understanding of the main concepts, this book:

- Introduces creativity from an inter-disciplinary perspective
- Discusses the environmental determinants of creativity development
- Explores creativity research in the differing disciplines of business, music and education

*Creativity Research* will be of interest and importance to researchers across a variety of subject disciplines, as well as students and practitioners of creativity, innovation and organizational behaviour, amongst others.
