Illustrated deluxe set of Periodic Table flashcards will help you quickly learn and review the Periodic Table.

Double-sided cards allow for quick study and self-testing. With this study aid, you will quickly learn the Periodic Table in no time.

The front side of the cards show the name of the element. The back side of the cards show the element's position on the periodic table, atomic number, atomic symbol, element name repeated, relative atomic mass, and electron configuration. The electron groups (families) are listed below the back side of the cards, and are color coded. The most complete and quality-formatted flash cards available. Enjoy!
