Effective Communication Skills for Doctors (Progressing Your Medical Career) Teresa Parrott, Graham Crook

There is an urgent need to improve doctors' communication skills. Research has shown that poor communication can contribute to patient dissatisfaction, lack of compliance and increased medico-legal problems. Improved communication skills will impact positively on all of these areas. The last fifteen years have seen unprecedented changes in medicine and the role of doctors. Effective communication skills are vital to these new roles. But communication is not just related to personality. Skills can be learned which can make your communication more effective, and help you to improve your relationships with patients, their families and fellow doctors. This book shows you how to learn those skills and outlines why we all need to communicate more effectively. Healthcare is increasingly becoming a partnership. Change is happening at all levels, from government directives to patient expectations. Communication is a bridge between the wisdom of the past and the vision of the future. Readers can also access a free online module; once completed, they can download a certificate for their portfolio of learning/Revalidation/CPD records. This easy-to-read guide will help medical students and doctors at all stages of their careers improve their communication within a hospital environment.

Ann Morgan:

You could spend your free time to see this book this guide. This Effective Communication Skills for Doctors (Progressing Your Medical Career) is simple bringing you can read it in the playground, in the beach, train as well as soon. If you did not have got much space to bring typically the printed book, you can buy the particular e-book. It is make you easier to read it. You can save typically the book in your smart phone. Consequently there are a lot of benefits that you will get when you buy this book.

Richard Cary:

As a scholar exactly feel bored to reading. If their teacher asked them to go to the library in order to make summary for some e-book, they are complained. Just small students that has reading's heart or real their pastime. They just do what the instructor want, like asked to the library. They go to presently there but nothing reading very seriously. Any students feel that studying is not important, boring and also can't see colorful images on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this Effective Communication Skills for Doctors (Progressing Your Medical Career) can make you feel more interested to read.
