John Carter of Mars The First Five Novels (Leatherbound) Edgar Rice Burroughs

A Princess of Mars introduces officer John Carter, transported magically from Earth to Mars and plunged immediately into intrigues embroiling the Martian races. In the following novels *The Gods of Mars*, *The Warlord of Mars*, *Thuvia, Maid of Mars*, and *The Chessmen of Mars*, Burroughs elaborates his colorful vision of Mars as a home to fantastic fauna, airborne pirates, and battling tribes of nomadic, four-armed green Martian giants and city-dwelling red Martians. Already a seasoned swordsman, Carter becomes an even fiercer warrior, unfettered by the planet's lesser gravity. Thrust into one deadly battle after another as he seeks to woo the beautiful Dejah Thoris, Princess of Helium, John Carter of Mars magnificently meets his destiny as science fiction's first larger-than-life hero. This edition of the first five novels in the John Carter of Mars saga is a distinguished new addition to the Collectible Editions classics. Each volume features an elegant bonded-leather binding, distinctive gilt edging, decorative endpapers, and a colorful satin-ribbon bookmark.
