## **Tales of Pirx the Pilot** Stanislaw Lem

In Pilot Pirx, Lem has created an irresistibly likable character: an astronaut who gives the impression of still navigating by the seat of his pants—a bumbler but an inspired one. By investing Pirx with a range of human foibles, Lem offers a wonderful vision of the audacity, childlike curiosity, and intuition that can give humans the courage to confront outer space. Translated by Louis Iribarne. A Helen and Kurt Wolff Book
