Tech Manual for Erjavec's Automotive Technology: A Systems Approach Jack Erjavec, Rob Thompson

The Tech Manual is a thorough workbook that offers students a way to reinforce their comprehension of chapter content from the core textbook, to think critically about the material they've learned on a given topic, and to put this knowledge to practice. This is achieved through a series of Concept Activities, Review Questions and Job Sheets for every chapter in the manual, guiding students methodically through the analysis, diagnosis, and repair procedures that they will be exposed to as working technicians.
