Most of us would do anything to love and be loved; we cant deny it. But what if this desire was so strong it single-handedly led us into a destructive trap that seemed impossible to break free from? When twenty-four-year-old college graduate, Peri Jones, finds herself falling in love and into a trap she has to learn, through many of lifes trials and victories, how to untangle the mess she is left with. Is it possible to deceive our way into love? In *Breaking Free*, Peri discovers that to love and be loved truly may be the most important thing, but its who you choose to love that matters the most. *Breaking Free* offers readers the chance to learn what it means to listen to the still, small voice of God; hopefully without going through a heart break of their own.
