Human Resource Management Applications: Cases, Exercises, Incidents, and Skill Builders Stella M. Nkomo, Myron D. Fottler, R. Bruce McAfee

Now you can develop a solid, practical understanding of today's human resource management (HRM) concepts and principles with this single source for contemporary cases, exercises, incidents, and skill builders. HUMAN RESOURCE MANAGEMENT APPLICATIONS: CASES, EXERCISES, INCIDENTS, AND SKILL BUILDERS offers a hands-on approach to learning HRM with cases drawn from actual events in real organizations, and unique skills builders and exercises that focus on the practical abilities most important in HRM today. This book is the perfect complement to your primary human resource text in any introductory HRM course. A fresh emphasis on problem solving and critical analysis equips you with long-term skills that are important for success at any level of study. Timely examples are drawn from a variety of organizations, including today's growing service sector to provide you with a diversity of experience. The book's timely topics prepare you for traditional HRM situations as well as today's more controversial issues, such as telecommuting, alcohol and drug abuse on the job, and discrimination. With exercises designed for a single class period and a new comprehensive term project, you'll find opportunities to apply and refine your HRM skills for success within your introductory course and your career that follows.

From reader reviews:

Curtis Salas:

What do you with regards to book? It is not important with you? Or just adding material when you require something to explain what yours problem? How about your time? Or are you busy particular person? If you don't have spare time to do others business, it is give you a sense of feeling bored faster. And you have free time? What did you do? Every individual has many questions above. They should answer that question since just their can do in which. It said that about book. Book is familiar in each person. Yes, it is appropriate. Because start from on jardín de infancia until university need this particular Human Resource Management Applications: Cases, Exercises, Incidents, and Skill Builders to read.

Christine Clute:

Spent a free time for you to be fun activity to perform! A lot of people spent their down time with their family, or their own friends. Usually they accomplishing activity like watching television, likely to beach, or picnic within the park. They actually doing same every week. Do you feel it? Will you something different to fill your own personal free time/ holiday? Can be reading a book can be option to fill your totally free time/ holiday. The first thing that you'll ask may be what kinds of book that you should read. If you want to try look for book, may be the guide untitled Human Resource Management Applications: Cases, Exercises, Incidents, and Skill Builders can be fine book to read. May be it may be best activity to you.

Rosemary Lilly:

Exactly why? Because this Human Resource Management Applications: Cases, Exercises, Incidents, and Skill Builders is an unordinary book that the inside of the e-book waiting for you to snap the item but latter it will distress you with the secret that inside. Reading this book alongside it was fantastic author who else write the book in such incredible way makes the content inside easier to understand, entertaining method but still convey the meaning fully. So , it is good for you because of not hesitating having this any longer or you going to regret it. This unique book will give you a lot of positive aspects than the other book have got such as help improving your talent and your critical thinking means. So , still want to postpone having that book? If I had been you I will go to the book store hurriedly.

Kayla Congdon:

Reading a book make you to get more knowledge from this. You can take knowledge and information from your book. Book is published or printed or illustrated from each source which filled update of news. With this modern era like right now, many ways to get information are available for you. From media social just like newspaper, magazines, science book, encyclopedia, reference book, book and comic. You can add your understanding by that book. Ready to spend your spare time to open your book? Or just seeking the Human Resource Management Applications: Cases, Exercises, Incidents, and Skill Builders when you necessary it?
