Til Debt Do Us Part Luke Ross

Globally, we are in the midst of the greatest financial crisis since the 1930s Great Depression, and considering the rise and fall of the stock market, the failure and belly up of real estate, and the ramifications of corporate greed, it's confusing enough to give up in desperation. After hearing mainstream financial experts telling us that they know best, we are now experiencing the rotten fruits of their reckless decisions with massive debt and sinking economies. What are we to do? Who can you trust? People call Luke Ross the financial translator for hard times and here is why. After many years of studying and following the advice of some unique thinking economists, Luke has translated this complicated information into step-by-step simple layman's terminology. To foresee the opportunities in this debt crisis, you need a different philosophy and mindset from the mainstream economists, politicians, and bankers.
