Shadow Lane Volume 1: When Susan and Laura Ross become the proteges of sophisticated magazine publisher Hugo Sands, their adventures in the spanking scene begin. In search of the perfect dominant-submissive relationship, the two sisters, along with their glamorous friend and mentor, Marguerite Alexander, experience the most voluptuous disciplinary encounters imaginable with a series of disarmingly masterful men from Cape Cod to Boston to New York. The female libertines of Random Point seek a standard of excellence in their tops that combines forcefulness and chivalry in equal parts and the search proves a complete education in the culture of corporal punishment.

Shadow Lane Volume 2: All Susan Ross ever wanted was a handsome and masterful lover who would turn her over his knee now and then without trying to control her life. She ends up with three of them in the second volume of Shadow Lane, the ongoing chronicle of romantic discipline set in a village on Cape Cod. Bad girl episodes include: the old-fashioned schooling of Jane by Hugo, the sensuous surrender of Marguerite to Michael, the impertinent seduction of Sherman by Susan, Laura's naughtiness and subsequent correction, the radical adventure of Damaris in the Hollywood B&D house and Susan's public spanking from Anthony at the Hellfire Club, NYC. The final chapter brings all together for a dramatic climax in which Susan plays an unexpected role.

About the Author:

In Random Point, everything is linked to spanking and this is true for the author of the Shadow Lane novels as well. Eve Howard has been writing and producing spanking erotica since the 1980's. Eve has written, directed and produced over 140 spanking videos. Female-friendly and designed to make people feel good, rather than guilty, about being into spanking, Eve suggests an irreverent alternative to the all or nothing B&D subculture portrayed in such beloved classics as *The Story of O*. Many spanking fans have discovered the real life spanking scene by following the same patterns of social networking as described in the Shadow Lane novels. And for almost twenty years, Eve's company Shadow Lane has been one of the primary social organs of the real life spanking scene. There are nine titles in the Shadow Lane series and Eve is currently working on Volume 10. She lives with her husband Tony Elka and their three cats in Las Vegas.
