The Last Town #3: Waiting for the Dead Stephen Knight

A new miniseries set in the time of THE GATHERING DEAD! This is a serial, with each release consisting of approximately 25,000 words.

The dead have risen, and all across the United States, cities are becoming hunting grounds. New York, Washington, Chicago, Los Angeles...all are falling victim to hordes of carnivorous corpses who want only one thing: to devour the living.

When the entire world grinds to a halt from the zombie apocalypse, the small California desert town of Single Tree finds itself falling under siege by hundreds of stranded motorists, including a busload of convicts being transferred from one penitentiary to another. As the townspeople begin to enact billionaire Barry Corbett's plan to turn the town into a virtual fortress, they find they have to prepare to defend their lives and property from the living, as well as the dead.

In Los Angeles, LAPD Detective Reese, Patrol Sergeant Bates, and rest of the Hollywood Station cops are locked in a life-or-death struggle against the hordes of flesh-eating dead that threaten to drown the City of Angels beneath a tsunami of rot and despair.
