The Signatory

Kirk Marshall

The Signatory Kirk Marshall

The Signatory is a wild and enthralling novella from Kirk Marshall, an emerging Australian writer and editor of the Red Leaves bi-lingual literary journal. This mind-bending tale of Scottish cryptozoology must be read to be believed as it blusters and dallies with the mad antics of the strange British dilettante, Sebastian Sackworth. It is at times reminiscent of the nonsense literature of Lewis Carroll et al - and yet displaying more contemporary (dare we say) "borgesian" stylistics. A delightfully absurd dramatis personae pits together a misanthropic anthropologist and a lusty Italian ornithologist on a madcap search for a rare Red Swan, soon to be joined by an Icelandic recluse, a chimpanzee, and a notorious pirate, to name a few. Along the way, Marshall manages somehow to mix in odd polemics on public transport sex, the science of moats, and the mysterious highland landscape.
