The Bible has plenty to say about end times. But until now, there has been no other book that-in straightforward prose that's easy to understand-gathers ten scriptural prophecies, lays out a chronological checklist, and offers a guideline for sorting it all out. In What in the World Is Going On? Dr. David Jeremiah answers the hard questions, including "How is prophecy playing out in modern Europe?", "Why does Israel matter?", "How are oil reserves and Islamic terrorism related?", "Does the United States play a role in prophecy?", and "How should we live in the end times?" Events unfolding in today's world are certainly unsettling, but they need not be confusing or frightening. Now you can know the meaning behind what you see in the daily news-and understand what in the world is going on! PDF material included on disc 7 for your PC.
