Blue Dahlia: In the Garden Trilogy Nora Roberts

From #1 *New York Times* bestselling author Nora Roberts comes the first novel of the In the Garden trilogy. Against the backdrop of a house steeped in history and a thriving new gardening business, three women unearth the memories of the past and uncover a dangerous secret.

A Harper has always lived at Harper House, the centuries-old mansion just outside of Memphis. And for as long as anyone alive remembers, the ghostly Harper Bride has walked the halls, singing lullabies at night...

Trying to escape the ghosts of the past, young widow Stella Rothchild, along with her two energetic little boys, has moved back to her roots in southern Tennessee—and into her new life at Harper House and the In the Garden nursery. She isn't intimidated by the house—nor by its mistress, local legend Roz Harper. Despite a reputation for being difficult, Roz has been nothing but kind to Stella, offering her a comfortable new place to live and a challenging new job as manager of the flourishing nursery.

As Stella settles comfortably into her new life, she finds a nurturing friendship with Roz and with expectant mother Hayley. And she discovers a fierce attraction to ruggedly handsome landscaper Logan Kitridge. He's difficult but honest, brash but considerate—and undeniably sexy. And for a sensible woman like Stella, he may be just what she needs...
