Corporate Value of Enterprise Risk Management: The Next Step in Business Management Sim Segal
The ultimate guide to maximizing shareholder value through ERM

The first book to introduce an emerging approach synthesizing ERM and value-based management, *Corporate Value of Enterprise Risk Management* clarifies ERM as a strategic business management approach that enhances strategic planning and other decision-making processes.

- A hot topic in the wake of a series of corporate scandals as well as the financial crisis
- Looks at ERM as a way to deliver on the promise of balancing risk and return
- A practical guide for corporate Chief Risk Officers (CROs) and other business professionals seeking to successfully implement ERM

ERM is here to stay. Sharing his unique insights and experiences as a recognized global thought leader in this field, author Sim Segal offers world-class guidance on how your business can successfully implement ERM to protect and increase shareholder value.
