ABRAHAM LINCOLN was born on the twelfth day of February, 1809. His father's name was Thomas Lincoln, and his mother's maiden name was Nancy Hanks. At the time of his birth, they are supposed to have been married about three years. Although there appears to have been but little sympathy or affection between Thomas and Abraham Lincoln, they were nevertheless connected by ties and associations which make the previous history of Thomas Lincoln and his family a necessary part of any reasonably full biography of the great man who immortalized the name by wearing it.
