**[(Another Whole Nother Story )] [Author: Cuthbert Soup] [Feb-2012]** Dr Cuthbert Soup

The plan was simple. Ethan Cheeseman, along with his three smart, polite, and relatively odor-free children, would travel back in time to save their mother and end an ancient family curse. With their super-secret time machine, it should be easy peasy. Except for one basic rule of science: Murphy's Law, where everything that possibly could go wrong, does. Loved by both critics and kids, the hilarious Dr. Soup brings us another madcap adventure, this time through stormy seas and haunted castles.
