A Happy Death

Albert Camus

A Happy Death Albert Camus

In his first novel, *A Happy Death*, written when he was in his early twenties and retrieved from his private papers following his death in 1960, Albert Camus laid the foundation for *The Stranger*, focusing in both works on an Algerian clerk who kills a man in cold blood. But he also revealed himself to an extent that he never would in his later fiction. For if *A Happy Death* is the study of a rule-bound being shattering the fetters of his existence, it is also a remarkably candid portrait of its author as a young man.

As the novel follows the protagonist, Patrice Mersault, to his victim's house -- and then, fleeing, in a journey that takes him through stages of exile, hedonism, privation, and death -it gives us a glimpse into the imagination of one of the great writers of the twentieth century. For here is the young Camus himself, in love with the sea and sun, enraptured by women yet disdainful of romantic love, and already formulating the philosophy of action and moral responsibility that would make him central to the thought of our time.

Translated from the French by Richard Howard

From reader reviews:

Debbie Luken:

Have you spare time for a day? What do you do when you have considerably more or little spare time? That's why, you can choose the suitable activity to get spend your time. Any person spent all their spare time to take a go walking, shopping, or went to the Mall. How about open or maybe read a book called A Happy Death? Maybe it is to get best activity for you. You recognize beside you can spend your time with the favorite's book, you can better than before. Do you agree with its opinion or you have additional opinion?

Tammy Crider:

Playing with family in a park, coming to see the ocean world or hanging out with good friends is thing that usually you will have done when you have spare time, in that case why you don't try thing that really opposite from that. 1 activity that make you not sensation tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of knowledge. Even you love A Happy Death, you are able to enjoy both. It is good combination right, you still want to miss it? What kind of hangout type is it? Oh come on its mind hangout folks. What? Still don't buy it, oh come on its named reading friends.

Troy Harlow:

Many people spending their time frame by playing outside along with friends, fun activity with family or just watching TV all day every day. You can have new activity to enjoy your whole day by studying a book. Ugh, do you think reading a book can really hard because you have to accept the book everywhere? It alright you can have the e-book, taking everywhere you want in your Smartphone. Like A Happy Death which is getting the e-book version. So , why not try out this book? Let's notice.

Doris Whobrey:

Reading a book make you to get more knowledge from that. You can take knowledge and information originating from a book. Book is created or printed or outlined from each source this filled update of news. In this modern era like at this point, many ways to get information are available for anyone. From media social similar to newspaper, magazines, science e-book, encyclopedia, reference book, story and comic. You can add your knowledge by that book. Isn't it time to spend your spare time to open your book? Or just looking for the A Happy Death when you essential it?
