Joining the Conversation: Writing in College and Beyond Mike Palmquist

With the success of *The Bedford Researcher*, Mike Palmquist has earned a devoted following of teachers and students who appreciate his accessible approach to the process of inquiry-based writing. Now he brings his proven methodology and friendly tone to *Joining the Conversation*. While students may know how to send text messages, search for images, and read the news online all at the same time, they don't necessarily know how to juggle the skills they need to engage readers and compose a meaningful contribution to an academic conversation. Meeting students where they are — working online and collaboratively — *Joining the Conversation* embraces the new realities of writing, without sacrificing the support that students need as they write for college and beyond.
