For many business owners, navigating a path to success can be compared to walking through a minefield. New business owners - as well as those operating mature businesses - often face unexpected problems at every bend in the road. Confronting these challenges need not be as fraught with worry and confusion as it may appear. Ken Boyar, a business consultant and CPA with more than 25 years of experience will guide you through some of the more common problems entrepreneurs face. Through his examples, you will learn not only how to avoid common mistakes but how to gain the tools you need to fix problems that may have already occurred. This primer on the "do's and don'ts" of business operations will help set you on the path to mastering your own small business.
