How much is she willing to risk for a forbidden fantasy?

Though Bella Carper has crushed on Justin and Ned since her first day on the job, she's smart enough to know a ménage with her hot bosses is probably number one on the list of workplace no-nos. But a frigid genius wouldn't say no to their exceptionally tempting offer -- a no-holds-barred night of wicked fantasies at a local sex club.

Justin and Ned believe in propriety in the workplace, but falling for their sexy graphic artist has blurred the line between professional and personal. These Big Easy men might surprise their small-town girl with their bedroom habits. But the biggest shock could come the morning after...when Bella discovers what they really want. (workplace, wealthy, menage, office, New Orleans, erotic romance, BDSM).

Full Position is a 29K word novella.
