The Dating Manifesto: A Drama-Free Plan for Pursuing Marriage with Purpose Lisa Anderson
Finally, a no-holds-barred word on dating, preparing for marriage and maximizing singleness from someone who's actually living it.

Your attitudes about marriage and the path to marriage are wrong. Some you've inherited, some you've simply bought—hook, line, and sinker—and some you've made up yourself. They have translated into bad action (or no action) in dating and relationships. But it's not too late; you can break the cycle of dating dysfunction and learn to honor marriage, marry well, and live intentionally while you wait. Lisa Anderson proves it's possible.

The Dating Manifesto is neither a cheesy formula for finding a spouse nor a feel-good book about how the person for you is “out there” if you only “believe.” Instead, it's a challenge to wise up, own your junk, and chart a bold new course for your relationship future.
