The benefit of crock pot cooking is that it works on “one-pot” principles and, therefore, it requires minimal food preparation. You can simply cut ingredients in fairly large chunks, add seasoning and liquid and that is that.

Crock pot cooking implies several things, like cooking food over 3 hours, stable cooking temperature and flavor exchange between ingredients. Still, crock pot cooking is perfect because your food will not burn or be over dried and it is great for dissolving the connective tissues like those in vegetables, for example.

In this cookbook you will find 200 delicious recipes for different types of a meal but also for desserts, yes you have read it good, DESSERTS. If you did not know desserts can also be prepared in the crock pot and like other meals you can simply place aside to cook and continue with your day.

The crock pot is quite a handy appliance and we hope that our recipes will make it easier and more interesting to use every day.
