Romans 8:19 tells us, "For the earnest expectation of the creation eagerly waits for the revealing of the sons of God." In this second volume of Exploring The Heavenly Realms Paul L. Cox and Rob Gross provide a Biblical framework for understanding the revelation of the sons of God. This revelation is directly tied to the church becoming mature as sons (and daughters) and being able to access the divine resources set aside for us in eternity past to fulfill the Great Commission.

For centuries millions of believers have suffered as the unseen forces of wickedness in the heavenly realms have waged war against the church. In this book the authors will unpack the Biblical basis for the fallen sons of God and how these 'little gods' have infiltrated society and the family of God through covenant breaking sex, child sacrifice and star worship.

This volume will also share insight about the spirit of Elijah and how this end time move of God will bring healing to the land by turning the hearts of the fathers back to the children and vice versa. As we transition from spiritual immaturity into maturity we will be able to discern between good and evil and joining what our Heavenly Father is doing. And like the Son of God who was able to join His Father's work we, the sons (and daughters) of God, will be able to do the same!
