Nonprofit Governance and Management

Judith Cion, Cheryl Frey, Cheryl Sorskin, Richard Sevick

Nonprofit Governance and Management Judith Cion, Cheryl Frey, Cheryl Sorskin, Richard Sevick

Each chapter describes substantive governance issues, and includes a Practical Advice section that provides guidance on how to apply principles and addresses different substantive issues. The suggestions contained in the Practical Advice sections, many in bullet point or checklist format, are intended to help nonprofit management and board leadership convert principles and concepts into concrete actions to improve governance and help board members understand their responsibilities. While this book is an indispensable tool for nonprofit board members, it is of particular value to executive officers and board chairs. It clearly spells out the responsibilities of these two roles and stresses the importance of mutual respect, trust, and support in promoting the organization's goals.
