**Blank Spots on the Map: The Dark Geography of the Pentagon's Secret World** Trevor Paglen  
Welcome to a top-level clearance world that doesn't *exist*...Now with updated material for the paperback edition.

This is the adventurous, insightful, and often chilling story of a road trip through a shadow nation of state secrets, clandestine military bases, black sites, hidden laboratories, and top-secret agencies that make up what insiders call the "black world."

Here, geographer and provocateur Trevor Paglen knocks on the doors of CIA prisons, stakes out a covert air base in Nevada from a mountaintop 30 miles away, dissects the Defense Department's multibillion dollar "black" budget, and interviews those who live on the edges of these blank spots.

Whether Paglen reports from a hotel room in Vegas, a secret prison in Kabul, or a trailer in Shoshone Indian territory, he is impassioned, rigorous, relentless-and delivers eye-opening details.
