Scott Kelby, the man who changed the "digital darkroom" forever, shows which buttons to push, which settings to use, when to use them, and hundreds of the most closely guarded photographic "tricks of the trade" to get budding photographers shooting dramatically better-looking, sharper, more colorful, more professional-looking photos with their digital camera every time they press the shutter button. Scott tackles the most important side of digital photography—how to take pro-quality shots using the same tricks today's top digital pros use (and it's easier than you'd think). Each chapter is packed with plain English tips on using flash, shooting close-up photography, travel photography, shooting people, and even how to build a studio from scratch, where he demystifies the process so anyone can start taking pro-quality portraits today! Plus, he's got full chapters on his most requested topics, including loads of tips for landscape photographers, wedding photographers, and sports photographers. Chapter after chapter, page after page, Scott shares all the pros' secrets for making your photos look more professional, no matter what you're shooting. This bundle has a value of US \$125.
