A sprawling blend of science fiction, high technology, and fantasy, The Aliomenti Saga traces the rise and proliferation of a secret group of supernaturally gifted men and women through the life of their most dynamic member, Will Stark.

### A QUESTION OF WILL (Book 1)

Will Stark is a phenomenally successful businessman, happily married, with a young son he adores. When he arrives home on his 35th birthday, he finds the guards to his gated community murdered, his home ablaze with his family inside, and his life nearly ended by those responsible. Will is immersed in the culture of the Alliance, a splinter group of the Aliomenti. He'll learn their secrets... and more about himself and his destiny than he ever imagined possible.

### PRESERVING HOPE (Book 2)

Will meets a young girl named Elizabeth Lowell, resident of a hidden village, daughter of the leader of that village, and one forced against her will to bear the burden of learning the secrets the villagers seek to learn. Elizabeth has secrets of her own, though, and Will must ensure that the revelation of those secrets doesn't result in the girl's death... as it did for her mother.

### ASCENT OF THE ALIOMENTI (Book 3)

Drawing upon his business and life experiences, Will transforms the Aliomenti into a global financial powerhouse awash in technological advances that would astound their human peers. But when power and wealth turn to paranoia, Will must decide if the group can be saved--or if the actions of the Leader of the Aliomenti mean a permanent separation is inevitable.
