The bestselling ASVAB study guide, now with even more information and practice

ASVAB For Dummies is your ultimate guide to acing the Armed Services Vocational Aptitude Battery, with clear explanations, plenty of practice, and proven test-taking techniques. This new edition goes deep into detail on each of the nine subtests, and includes practice questions, two full-length practice tests, and a sample AFQT exam to help you prepare. You'll build your word knowledge and paragraph comprehension skills, and expand your mathematics and arithmetic reasoning as you hone your focus and develop a feel for the test itself. Expert study tips show you the best preparation strategies, and insider advice reveals the most effective ways to approach the material. You'll learn which subtests are most important for your military goals, so you can zero in on the material that matters and maintain your laser-like focus right up until exam day.

The ASVAB test determines whether or not you're qualified to enlist in the U.S. Military, and your aptitude for each specialty. The higher your score, the broader your options. This book gives you everything you need to brush up, practice, and bring weak areas up to speed so you can face test day with confidence.

- Build vocabulary, reading comprehension, and math skills
- Get in-depth understanding of each of the nine subtests
- Learn proven study strategies and test-taking tactics
- Test your knowledge with full-length practice exams

Over one million people take the ASVAB every year, and you're competing with them all — the exam is scored on a percentile basis, so your standing is relative to everyone else's. A high score makes you eligible for a wider range of occupations and Enlistment Bonuses, so it behooves you to study early and often. *ASVAB For Dummies* gives you the tools and information you need to score the military future of your dreams.
