\*\*Warning, this book contains scenes of dead people having sex, only really sexy dead people, not zombies or sparkly vampires. Rest assured, no body parts fell off during the making of these sex scenes, just bras and undies, and no fangs or hammers were used during foreplay.\*\*

My afterlife has sunk to a new level of desperate, all because some badass demon banished my friends to the fourth dimension of the fiery pit.

When I signed up for this rescue mission, nobody told me about the bugs, hives, and sweltering heat. That I could handle. Add to that a sinfully sexy boyfriend with serious ex-fiancée issues, three temperamental giants, a psychotic demon dentist, and a really hungry soul-sucking dragon, and this trip to Hell has become the trip from Hell.

And I forgot to pack my sunscreen.
