Mackenzie's Mountain

Mary Elizabeth Potter is a self-appointed spinster with no illusions about love. When she meets Wolf Mackenzie, a man with a chip on his shoulder the size of Wyoming, she sets out to convince the whole town he's a man worth loving. But Wolf's not sure he's for the taming of Wolf Mackenzie.

Mackenzie's Mission

Night Wing—the revolutionary test plane with a top secret weapons system—is Colonel Joe "Breed" Mackenzie's number one priority...and weapons expert Caroline Evans his number one distraction. When someone on the inside sabotages Night Wing, Caroline's late hours and expertise come under suspicion, forcing Joe to choose between allegiance to his country—and love for his prime suspect.
