When growing up in Brooklyn, the first rule of survival is to get it by any means necessary.

At Seventeen years of age and fresh out of high school, Royal has had to work at a local strip club to make sure that she and her sister have whatever they need in order to maintain. Royal is all about making money and looking for a way out. There isn't anyone that she has her eyes set on until she ends up meeting Pharaoh while returning home one night.

At first, she downplays their blossoming relationship letting it be known that they're just friends. Pharaoh plays along and figures that she's just not your average chick, but he quickly switches things up on her and starts dating a girl name Bia. Just like Pharaoh knew she would, Royal shuts that relationship down and claims Pharaoh as her own.

With a Love so unique and seemingly everlasting, one would think that things would be smooth sailing for the two of them. However, with a scorned ex-lover and a jealous best friend, the outcome will not turn out pretty.

Join Royal as she carries the weight of the world on her shoulders and does what only a Brooklyn Bitch can do to make it out alive.
