Devil May Care Sebastian Faulks

Bond is back in this electrifying new novel of intrigue and suspense. A masterful continuation of the James Bond legacy, **Devil May Care** picks up right where Ian Fleming left off—at the height of the Cold War, with a story of almost unbearable tension. An Algerian drug runner is brutally executed on the desolate outskirts of Paris and Bond is assigned a new task; to shadow the mysterious Dr. Julius Gerner, a power-crazed pharmaceutical magnate. Gerner has lately taken a disquieting interest in opiate derivatives, both legal and illegal. After finding a willing accomplice in the shape of a glamorous Parisian named Scarlett Papava, Bond must stop a chain of events that could lead to global catastrophe. Charged with adrenaline, deception, and Bond's signature wit, Faulks brings us this exhilarating new chapter in the life of the world's most iconic spy.
