The Story of Art, Pocket Edition E.H. Gombrich

The Story of Art, one of the best-known and best-loved books on art ever written, has been a world bestseller for over half a century. Professor Gombrich's clear and engaging text combines with hundreds of full-colour illustrations to trace the history of art in an unfolding narrative, from primitive cave paintings to controversial art works of the present day. This pocket edition presents The Story of Art in a compact format with an entirely new design, giving Gombrich's classic work a new accessibility and opening it up to an even wider readership than it currently enjoys.
