Love shared, love in secret, celebrated, exploded. Unrequited longing and love that's mellowed through the years. Love at long distance, across continents, so close there's no space to breathe, or never quite close enough. Love lost and love found. Love from the inside out and love from the outside in. Love Notes has it all: a collection of poetry as diverse as the experience of falling in love itself. A shared candied apple, a farewell at Paddington Station, a name scribbled in a notebook, a face that leaves us breathless, a single word that changes our life forever. Love Notes is a rich tapestry of verse woven from fragments of life and those moments that make falling in love so irresistible. And so inevitable. Love is unique, love is universal. Love is everywhere.
