#### **Delaine Valencia:**

As a university student, I exactly feel bored to help with reading. If their teacher questioned them to go to the library or make a summary for some book, they are complained. Just little students that have reading as an internal or real hobby. They just do what the teacher wants, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that examining is not important, boring as well as can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we would like. Likewise, word says, many ways to reach Chinese's country. Therefore this Consciousness: An Introduction 2nd (second) edition can make you feel more interested to read.
