The annual survey of American Corporations conducted by Pinkerton Consulting & Investigations Inc. revealed the top 20 security threats to businesses. Those threats are compiled into this comprehensive loss prevention manual. You will learn the ways people can destroy your profits and what you can do to eliminate the threats. It details shoplifting, credit card fraud, identity theft, employee theft, vendor theft, workplace violence, and many topics you won't find in any other loss prevention book. Most importantly, it gives you strategies to reduce or stop these losses. Learn how to: guard against robbery, theft and burglary in your business; fight fraud; protect your information from espionage, hacking, and disasters; increase safety procedures to decrease accidents; stop violence and harassment; conduct background checks including criminal, credit, driving, and drug tests; avoid litigation.
